RE: Section 402(c) Renovation, Repair, and Painting Rule Compliance Inspection under Section 409 of the Toxic Substances Control Act (TSCA)

Dear Mr. Goodman:

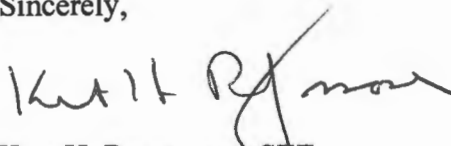

This is to provide notice that Mr. Kurt Rutzmoser and Noel Watanabe will visit your facility on **Tuesday, February 14, 2017 at 10:00 a.m.** to conduct a Renovation, Repair, and Painting Rule inspection. Mr. Rutzmoser is assisting the Environmental Protection Agency (EPA) under a cooperative agreement with the Senior Service America, Inc. (SSAI) designated by the EPA Administrator to conduct inspections under Section 409 of TSCA. To save time during the inspection, please have available for review and collection by the inspectors, the following documents from January 1, 2015 to the present:

1. A list of all residential properties or child occupied facilities built before 1978 where renovation, remodeling, or other work which disturbed more than 6 square feet of paint for interior renovations or more than 20 square feet of paint for exterior renovations was conducted by you or employees of your company;
2. Copies of all contracts for renovations designated in 1 above, including any attachments and contract modifications/addendums, receipts and copies of permits. (To include the documents for the project at 200 S. Chester Pike, Swarthmore, PA 19081)
3. All lead-based paint testing and any other lead-based paint documentation, if any, for all properties designated in 1. above;
4. If you serve as a certified firm, a copy of your firm certification in addition to any certifications of your employees;

5. If you utilize any subcontractors, a list of those subcontractors and a copy of the subcontractor firm certification in addition to any certifications of the subcontractor's employees.

If you have any questions, you may contact me at 215-814-2119 or Rutzmoser.kurt@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Kurt H. Rutzmoser", with a stylized flourish at the end.
